Kiri
Kiri is not like them!

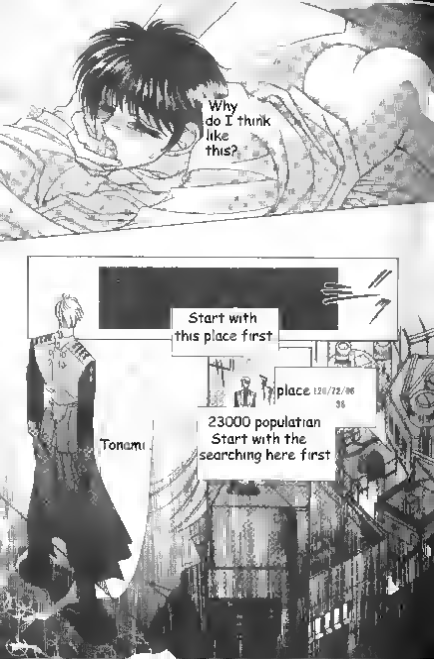
But
inside me



Why do I think like this?
Start with this place first
place 126/72/06 36
23000 population
Start with the searching here first
Tonami

Sorry my stomach hurts
Didn't you say that the food is not enough? Don't just stand there!
Tonami!
Weren't you quite happy yesterday night? You even told me to release inside you
Let's buy some food now
Ok
This place is quite nice.
Let's stay here for a while!

Ah!
From the way you look are you

Master!
Yuuri!
Hm..
Kiri!
Ah!
Kid, what are you doing?
Have Yuuri done something wrong?
He
and my Yuuri is both from Castle
They are different from other ordinary Demi

My mate. I think he is talking about Tamemi's clothes.
But as a company, he's kind of wild. "sorry, I have NO idea what it means"
They are not like those boring Demis.
Demis from Castle has the best quality.
They have abundant expressions.
Like my Yuuri. He use to wear green clothes.
Um...
I'm sorry, Kiri.
Actually yesterday I decided to wash my clothes. But it was raining. And I was afraid of my
clothes wouldn't get dry. I'm sorry to embarass my master if I look bad

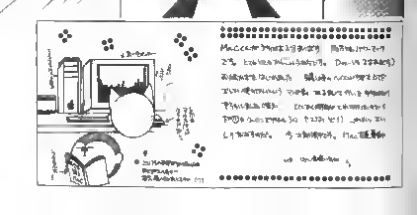
It's a pity.
The shirt actually suits him.
Eh?

They are just the same when they don't have clothes on. Beside, Tonami isn't that noisy as yours.
What kind of materials doens't matter.
Wa...
Ah!
What ?
Please wait!
Please forgive us if we did somthing wrong

Kiri!
Perfect! What s your name?
Mister Leith!
Mast-er?
He's a killer who do everything for money!
Mister, don't talk to them.
I ll explaine the job later I'll give you the money first
Ok!
You can stay at my house And of course Tonami can also come
Master, you can't do that!
I ll send the money to you
Where do you live?

Come and take a shower!
Hm
Not following my order?
Kiril
Do you need some help?

Had a dream



Just wear it since all citizen wear these kind of clothes He s o nice boss who gave me this easy job
Do I look weird?
It was mister Leith who told me to
Why are you wearing these clothes?
Tonami everyone is having tea now Please come with me
Yes!
Just take these clothes No matter if it suits you or not
Yes!
Just taking care of these dogs and the garden Chase away thieves These scientist
is really rich!

My dogs are quite scary
and big right?
Am I bothering you?
Ah!
I like dogs
Not at all
I'm doing some experience now so I need some assistant
They are all Demis?
You're quite rich!
Can't human do it?

Oh?
Your Tonami is very cute!
I prefere Demis. Because they are pretty and nice.
They looks like human, but they are not. They are all my sweet child.
Yes!
Don't be nervous Tonami
We all are from Castle
We were also very surprised when we first came here.
Demis are Demis. They can't survivle without human.

He had a team before but there was an explosion and they all died.
Although we all are from Castle. But we are different.
But I wasn't really legally produced like them.
But,
Therefore our master is taking really good care of us!
It's ok, Tonami.
Yeah
I can nothing about scientist.
He teached me to be a warter
That's because we have scientists knowledge, so that we can aid him in his work.
Yuuri!
Tonami what did teacher teached you for?

Didn't your master told you? Our master is going to hold a scientific conference very soon
Eh?
You have the same room as me
Our master told us to get to know each other better
Yuuri! Don't be so rude!
What? Am I wrong?
If someone who is so stupid like you staying here will only be an his way
Some of these guests are some famous person. So there will be some thiefs who is planning to steal their project. That's why our master hired your master
Therefore he has to stay in the garden

Ah!
Tomomi, what are you doing here?
I knew that you will be checking around here at night. So I have been waiting for you since I can't get past the dogs.
Oh!

So sweet.
They gave me this when we had tea time. There is some alcohol in it. Hope you'll like it.
Eh?
You want to know?
Does it taste good?
Go and sleep. Dogs will be here soon.

So sweet and bitter...
So hot ...
Hope the day will arrive soon.

Tonami, I need your help too.
Yes!
Yes!
Guest will arrive soon. Please make them comfortable.
Today they will hold the confere-nce.
Then Kiri's job will be over soon.
I can be with him again.
Wel-come.
Please come in

And there's even black hair.
The quality is pretty good this time.
Ah!
?
These people...
They're just like the clients who came to the brothel!
Master!
Today is the day of full moon.
Let the show begin!

Die, trash!
Just don't kill me, please.
What do you want?
You want money? I'll give you!
I have been having these kind of dreams in a long time now

I've only chased away some thieves and taking care of your dogs.
Cheer.
Tomorrow you'll be free.
I've always been free.
That's because I have druged them in their food
Sometimes they will salivate But it's not my fault!
Why?
Release their nature?
In order to release their nature The drug is one of my work

I didn't really wanted to kill you.
But I want to watch Tonami's reaction when he knows you are dead.
Your bowels s melting now You won't manage to make a sound You'll die soon
Tonami is so cute.
They all are so cute!

They don't even know that we are playing with them.
They are nicer the humans. And they can do things better then humans.
Demis are so fun.
Soon, they will be broken to pieces.
Good bye, Kin!!
No!

Ah!
Ah!
You want to protest?
No!
You guys are great! Leith has really trained you guys well like always
Yeah, he's a pro!
Eh?
Is he dead?
Yarck he's so dirty!

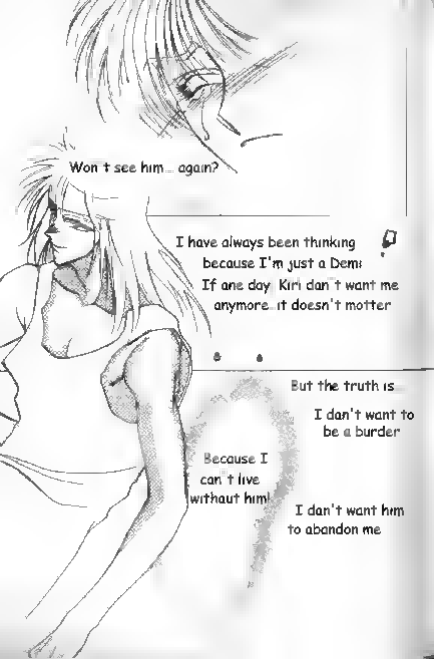
No.. This is not real!
It can't be!
No..
Master!
Yuuri
this is our Demi's destiny

No matter how much we looks like a human. But still we aren't human.
We all are just a product to this world...
But what about my sadness?
Going back to Kiri would be so nice
You'll be the next one

So hot
Does we really worth nothing?
Ah!
Ah!
You can't even put a finger inside
This kid is really tight
Ah!

Having fun already ?
You're late, Leith! We have already begun
Master !
Aa!
Waa
Mh
Nh
Tonami, you have already lost?
Leith, his hair color is different from others!

This kid has already a master.
Ma...
ster...
It looks like it really hurt.
Look.
Ah!
Save me...
Too bad you won't see him anymore!
It seems he took good care of you.



Won't see him... again?
I have always been thinking because I'm just a Demi
If one day Kiri don't want me anymore... it doesn't matter
But the truth is...
I don't want to be a burder
Because I can't live without him!
I don't want him to abandon me

Please return
Ah...
I'm always so worry.
Eh?
Won't I feel worry if he's here?
Kiri!
Sorry. I am a trash
But this is a job, so I must kill you.

A nightmare.
A crimson moon the color of blood.
My blood or Kiri's blood?
You should be used to it.
Kiri, how can I be used to it?

Kiri is hurt?
Although I know he won't die,
But how can I pretend everything is ok?
Swallow it, Tonami!
You like it?
Ugh
Yuuri, you are my favorite Demi oli of them
Ma... ster...

Ah!
It wasn't easy to bring him here.
There-fore I have a special gift for you!
Ah!
No!
After all, this is what you Demi are good for!
You'll make me happy right?

Wow how brave!
Can't I do it instead?
Tonami!
Oh, such self-sacrifice I am so touched!
Why Tonami?
Because, you seem quite sad for beeing betrayed by your master
Although I'm nothing then a Demi for Kiri,
I feel bad for you

So
it doesn t matter
Kiri is dead He drank my posion
I guess other dogs is eating his corps now
Ah!
just cry for your-self
But that doesn t matter
Because he has never betrayed me
Just cry for yourself
He told me no matter human or Demi
he said don t cry for other people

Great idea Leith!
Why don't you two play together?
I have a fun game!
Yeah!
I'll go find a dog. Although they are drugged, but they know that I'm their master.
Sorry to interrupt you guys. But I must say hi to my boss!

Why are you crying again, Tonami?
You!
I was so worried that I came back from hell
I fed them with those drugs you left me
Waa
Eh?
Why?

Aa..
Your drug is quite good. They even ate their company.
Waa..
Aa..
Even if you are a great scientist
If you get killed
you all are the same!

Let them teach you a lesson for realeasing their nature
This is for you.
Yuuri
Although sometimes you wish to die, but being alive is the best!

How can I die when you are still alive?
It's great to be alive!
Yeah..
Ok Tonami
Yes!
let's go!
I see..
Ah!
Yuuri, do you dream?
Of course! Bad or good dreams..

At least I have to pay for hotel and drugs. Having a Demi is really troublesome.
And I have to buy a car
A
Bringing him with me?
Why?
Why won't you die?
I'm going to the west!

Am I the only one who will always have the same dream ?
Good bye Yuuri take care!
I will always dream about bloody red dream Is it really Kiri s blood?
Tea-cher!

Got rid of an obestacle
Found the target
98% sure is them
This is all for my Tonami
Yes!
It s raining hurry up Tonami!

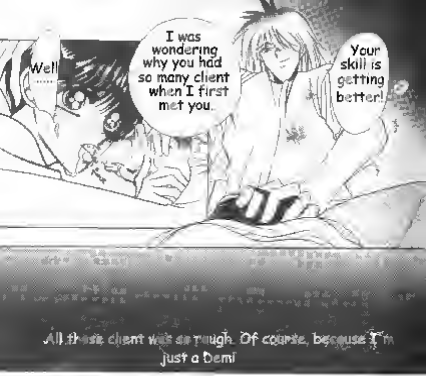
Run faster!
Can't see him again...
I don't want to bother him or become an obstacle of him.
Can a Dem really have these kind of feelings for his master?
But...

Haven't you slept yet?
Shouldn't you be used to it?
Kiri!

You should be worrying about yourself. Have you taken your drugs?
Yes!
But Kiri won't.
Normal people will die.
This is nothing!
If Demi don t take their drugs they will die
There s a man who can see other people s death
Tha s why we are going to the west

But I m going with him to the west.
Couldn t you sleep because of the thunder?
No!
Drea-am
Had a strange dream But can't remember
Oh!
Ah!
Kiri?
I'm full of energy again.

Ugh.
Nh?
Nh!
Nh..
Although I know he won't die. But everytime when he bleeds, I want to cry
Mm
Ah!
Um!
Hah!



Well.....
I was wondering why you had so many client when I first met you..
Your skill is getting better!
All the last client was so rough. Of course, because I'm just a Bemi

Nh..
But Kiri is also rough..
Get up!
Spread yourself!

WEST
END

Trusting humans,
I wonder if all Demis are like that, like me.
Did a human changed me into this..?

Luckily he didn't came back when I was asleep
Morning
How many times?

Hasn t come back yet
Kiril
He won't die, but he could be trapped!
He abandoned me..?
Or
Why are you crying again?
Kiri, he'll get angry when he sees my cry again
When Kiril's not here, I will feel so lonely and sad
Why would human produce such a weak thing?

If Kiri sees me cry, he'll get angry, then he will abandon me..
I should make breakfast now. Or I should wash clothes now...
I have many things to do that is more important then crying!
I want to stay with him...
Kiri!
Kiri!
Kiri!

Did I just had a vision?
No!

It s him!
Kiril
whose Demi re you?
You

What?
Everything is turning
round and round.

You
awake?
It seems
you haven't
been
sleeping

Here. It should taste sweet.
This is my first time buying medicine for Demi.
You look ill.
I bought some medicine to you.
Yeah, how could I take wrong?
No!
Don't you like it? Does it taste so bad that makes you cry?
Or did I said something weird?

Eh..
Anyway, there's a bullet in my head.
I couldn't remember my name until my friends told me.
He can't remember...
Even me?
My name is Krin right?
To be honest, I'm not even sure who I am.
Yes!
My name is Tonami.

even if you don't remember me, I don t mind...
So thot's why I'm useless with house-work?
You bought me therefore I'm your housekeeper, like other Demis
Kiri
What hove you been doing these days
Making you so lonely
I am really sorry Don t cry...

Kiri is back
I should be very happy
It taste really good that s my Demi!
Heh
What about your job?
I m off day today I have paid the house rent
This place is not a hotel but a home
Waise will find a job that are suitable for my body condition now

'You must remember that you're a Demi forever'
I don't know, teacher.
Eh?
'What is the most important thing for a Demi?'
'You musn't forget it until you die. This though will be a part of your life forever'
Tanami what's all these noise?
Sorry I'm doing hause work
A part of my life?

I wonder who shot my head.
Don't worry, it won't effect anything.
Sometimes I will get headache because of the bullet.
Does it still hurt?
It's just that it makes me uncomfortable when I can't remember anything. But I'm glad that I found you who knows everything about me!
Kiri is totally different from before...
Un!
If something are different from before, then you must tell me!

But I feel safe when I have this with me.
This look dangerous right?
But the voice which is calling me is the same...
This will protect me I guess
He's holding his knife in the same way as before...
The collar is not on!
Is Kiri there?
It's Waise.
What's wrong Tonami?

How are you doing?
I think Waise know who you are.
so you don't need to hide
A Demi without collar will get killed. I need to hide from them!
I forgot to bring it with me!
Him... I don't feel well now
I will take the part time job as you said soon
Good
I hope you will be ready soon to get back to work as a bodyguard
I take the drug every day. My head don't hurt anymore

Yes! He's Tonami.
You own him?
He's Tonami.
I almost forgot him.
Good.
Is he a Demi?
Cash?
No problem!
I need some help now. All you have to do is watch over something for us. If you are scared, you can run away.
Bye!
Take care of the house, Tonami!
Guess Kiri won't need to use his knife now.

but he still remember his knife...
Although he lost his memory
He won't get hurt now
He should get a black collar to match his hair even his eyes is black too
Hm
Eh?
Well
Kiri! Watch out!

Kiri!
Kiri!
What kind of easy job is this? Lucky that I had my knife with me!
Wiasu
Sorry my mistake!

Didn't saw his neck until he swang his sword?
I didn't saw his neck until I swung my knife...
I should have spared his life to ask him for informations..
Yeah right his target was his neck at the beginning!
Waisu !!
I know ...
It seems impossible to make him to our side.
He hasn't chonged at all!
So he's the Demi of Kiri according to the rumors
Guess he knows a lot about Kiri
It's too riskful

Too bad we can't use him.
Our life is more important .....
Where are you going to sleep?
Really?
The couch. Demi can't sleep with his master.
I suggest you to come over here.
only one quilt here. I don't want you to catch a cold

We just stayed there while we were looking for some place to live.
He forgot.
I heard that we lived in a hotel before. How come?
Eh?
We'll start over again from now on.
Oh.
I have a feeling that we were always doing this before
Wa!

No..
Is this weird ?
Don t ...
Un!
Un!
You are so well-behaved. Did I trained you into this?
Don t press your legs tegther
Ah!

We aren't going to stay too long. You don't need to clean too much.
This is a nice pla ce. Many people and Demis.
Our target is the West!
Un!
We are going to the West in order to find the person who can see other people's death.
Hope this will help Kiri.
Because a Demi always get easily killed nd abandone
How can I die?

Kind
Hurt!
We haven't done this for a long time. You are so sensitive.
Ah
Un
Look
You're wet already.
Ah

Wa!
Ah!
Wa!
Tona-mi!
So good so hot
Kiri!
So hot!

I will always remember
this kind of heat
Did you like it? Do you feel happy?
I'm such a bad master Maybe I just remember your body
Eh?

Nonsense.
you belong to me, you are mine
Ah!
Demis are made to serve humons
Of course!
If you were the one who lost memory. Do you think you would remember me?
You want something to drink? How about water?
I
Kind

Kirri
Agh..
Drug
In the bottle
Ah!
Argh..
Does your head hurt?
It worked
like a Demi
I have to take drugs everyday

Sorry Tonami
for making you so worry
We are the same now
Guess the drug is too strong. I'm very sleepy now
Can you manage to walk to the bed?
But Kiru won't die no matter how. So why...
The bullet is stuck in his head, you must take operation to get the bullet out. But you may die.
It's impossible to get the bullet out, even a operation

Your body felt really hot then.
Your body is so soft.
Here is fine.
I don't want to see you in pain...
Your body is coverd by sweat. you'll catch a cold.
Kiri.
You must feel terrible
At the beginning I thought it was ok to live like this But now I must bring you to the west

Be careful
Kim
I'll make the dinner for you then
Bye Tonami
Will you be back today?
I'll just take a walk in the city
Telling me to be careful?
You're not good enough to be a body guard
Bandit
Wa!

But...
I have never seen such a pretty eyes before...
At the West, you can find a man who knows other peoples death.
I don't know this Kiri who wants to stay here
?
Tonami ?
You must be loyal to a human

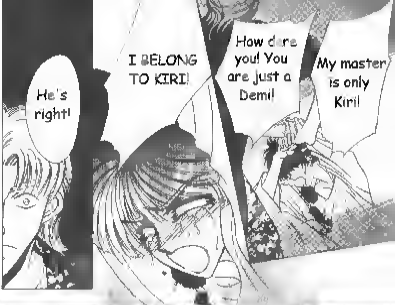
No! I can't be... I'm not afraid to be abandoned
But I don't know him!
You ok?
Bring them happiness
But I'm afraid of be abandon by Kiri...
Hey!
Waisu

It would be nice if he just died. But too bad he didn't.
It's ok.
Are you Tonami?
I'm sorry I just had my drug. I can't do anything for you now.
What?
It's not good to have a person who knows you beside you.
Because he might help you to find your memory back. Finally we made our enemy at our side, but now...
Enemy? Waisu!

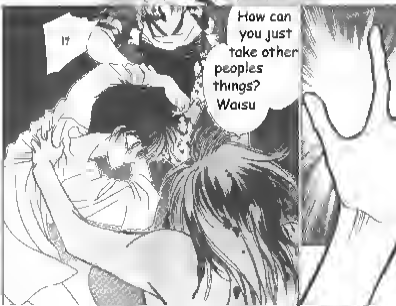
Fool
Was it you?
I want to be with you
Kiril
I'm sure!

He's Kiri!
I knew the old Kiri wasn't completely gone. Too bad...

He'll be alive soon!
Don't worry he won't die!
His skills If he followed my orders
he would be pretty useful
KIRI!
Don't worry I will find a new master to you
NO!



He's right!
I BELONG TO KIRI!
How dare you! You are just a Demi!
My master is only Kiri!



!?
How can you just take other peoples things? Waisu

But it was you who made it. So now we are quits!
But as for a friend, I am not very happy with you.
Thanks for helping me to get rid of my headache.
It really hurts.
AH!
How could you do this to me?

Sometimes, God I want to puke...
You remember?
Too bad! The gentle Kirt is gone.

Welcome back! I have been waiting for you!
I don't know other people then who you are now.

Only Kiri is human for me.
I have been waiting for you.
So that's how it is..
You are crying again.
Does all Demis feels the same like me?
I only want to be with him
It would be nice if he lost his memory

Why did he said that to me when he know I won't die no matter how.
Same old Kiri, we'll call you next time when we need you!
Who?
But be careful, you have become the target of Waise.
But I guess you'll be fine. Wanna have a drink?
You just took away their business.
He's a bodyguard, the boss. The one who you just met was sent by him.
Not today.
No.

So..
Like Kiri..
100% sure to get rid of him if I want to bring Tonami back to Castle..
I'm sure
Only Kiri..

Just because they are Demi, so they have to serve us humans?

Did you hit him?
Yeah! Right on his head!
Is he dead?
Kiri is just a outsider.
Kiri
he's still breathing
He's not dead yet!

He's awake!
What?
Shoot him once more!
Ugh...
The bullet is still in the left side on his head!
Who are you?
Are you calling me?
Is it really true that you won't die, Kiri?
Who are you?
Kiri!

He lost his memory because of the bullet!
Don't you remember? We are partners! It's me, Waisu!
Most of his memory are blacked!
He don't even remember what his name is!
Really ? My head hurts..
Thanks Waisu
We'll get you to the hospital now!
Waisu !!

What do you remember? Tell us.
Tomomi..
Kiri is late..
Donno.
When will you be back?
Although he likes to tease me
but he will never lie
he'll return!

WEST
END

Wanna try? I'll make it cheap

This is the only thing I can do.

Ah!

I'm sure that other people will be jealous of me if they know that I have been sleeping with a hero!
Tonami, you did great.
You are such a hardworker.
Because

Of course Besides, you are from Castle
Then Could you please

What, Kiri?
Tonami!
The client from today promised me to introduce me to other people. Guess there will be about two client tomorrow.
So you brought this home because
of me...
I have eaten.
What about you?
This was included in my job.
No, it doesn't
It taste awful!

I won't get any money until tomorrow.
Thank you!
Taste good.
Your drugs will be paid by your money. Then we have nothing left again.
It's not easy to keep a Demi
Sorry!
Kiri!
If I don't take my drugs, I will die. Therefore Kiri have to use so much money on me.

Of course, there will be more client tomorrow.
Un!
Someone from today told me that I was great and he will introduce me to his friends. So there will be more client tomorrow!
I have to work hard for buying Kiri a new knife!
Sorry Kiri.
Although I'm still very happy.
So, because of you I will work harder!

I can't believe that stupid car broke down in this sandstorm!
There is nothing we can do.
Luckily the town is quite near here.
WEST END

Eh?
Hasn't come back yet?
Then I will buy a knife to Kirill
Watching over your house while selling your body?
How many client have you had today?
Oh!
Ah!
He's working
Sorry!
You can still see the trace from the previous client

That's good
But it makes you more slippy
Clean this up! Touch yourself!
Un!
Yes!

Ugh!
Umi
Ah!
Wa!
Uni
Ahl
Wonder how much does a knife cost?
Wa!

It s not enough
I guess I must work harder
But to compare with him It s nothing

I must clean myself before Kiri can smell the scent of the three clients...
Ah!
I must be careful!
Ah!

have other people's scent on my body when I'm around Kiri
I don't want to.
I have paid for 3 more days
God I hate this
The money for the hotel.
It has been 4 days now...
Weird... the storm never stops....

I ll back pretty late.
Because you didn t work yesterday
Eh?
There will be 4 clients today.
I under-stand.
Eh?
Why do you smell so good these doys?
!

I really like the smell of the soap
Can I buy one of this when we leave?
I m leav-ing
Be care-ful, Kiri.
He almost found out...
ハア?
ハア?

Oh no
How can I puke here?
Before the clients comes I must clean here first
I have saved up pretty much...
I think I'll change the bed-cover after when the clients leaves

Then I can buy a knife to Kiri!

Am I wrong?
I feel someone is here...
Un!
Tonami, hurry up!
Once in a month, there will be a sandstorm here. It will last about 1 week.
This sandstorm came too early.
Damn.
Hurry up! We'll arrive soon!

He
Wa!
He looks weak today... He has been like this in these two days..

Has he been taking too many clients?
Who are you?
Ugh
No- He has taken more before!

Has some of them treaten him badly?
Watch out!
Aa!
Eh?
!?
Waa
Ugh

But I don t want to pick other people s knife either Guess I must save up some money to buy a new one
I m used to have my knife with me
This is bad
I haven't returned in 2-3 days The food and the drugs should be enough
Tonami you are so docile!
You even have a collar on
Why should I be worrying about that demi?
Stupid!

I don't need to be afraid as long as I have this on
My master picked it for me.
You are so kind Tell me if you need any help! I'll help you!
Because this is the only thing I can do.
How many clients have you been taking today? You can't stand this any longer. Why don't you tell your master?
No! Kiri doesn't know about this.
Can you buy a knife for me?
Ah!

Don't worry, I'll be back soon!
People won't sell a knife to a demi.
I under-stand!
The size and the look should be almost like this.
Kiri your rumors has been spread around now. You didn't just killed him but also his body-guards!
I don't care!
Give me the money!
There s one more thing I want you to do for me
What ever!

Please return soon...
Ah!
No!
Why do you sound like that you are in a hurry? Are someone waiting for you at home?
I don't know
Why am I thinking like this?
I'll take this job later!
I'm too tired!
What?
Bye!

He's going to buy the knife for me...
He's a kind man.
My head hurts...
I want to puke...
Maybe I should sleep more?
Ah!
Because this is a secrete.
No. I can't
I must clean up here before Kiri gets back!

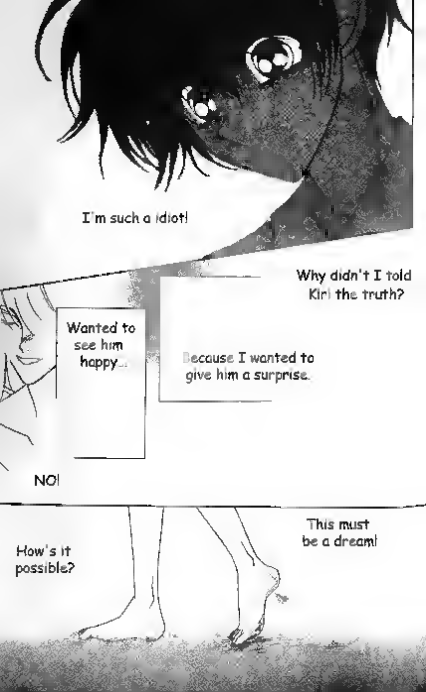
What's going on?
Kird
There shouldn't be any clients today
Ah! Sorry that I didn't told you
Oh!
Since we came here I haven't been sleeping with you huh?

I can smell other men's scent from you
slut!
Where you after other men because of the loneliness?
NO!
That's why you always use the soap to cover your scent!
Ah!
No!
What did you do?
I won't do it again!
Sorry, please forgive me!

I am so useless!
Are all Demis weak as me?
Kiril
Aa!
Wa!
AH!
Tonami

SORRY!
But don't forget to tell your master!
No worries, you can just spread your legs and earn money
SORRY!
DON T ABAN DON ME!!!
You can make money on your own now, why do you need a master?
Forgot something
KI
RRRRR

Find your clients and stay with them!
AH!



I'm such a idiot!
Why didn't I told Kiri the truth?
Wanted to see him happy...
Because I wanted to give him a surprise.
NO!
This must be a dream!
How's it possible?

made him angry
With that stupid idea that...
It's me
AH!
Yeah
Ah!
Kiri...
It was me
Kiri... the one I love most
don't want me...

I can't live any more!
Oh!
Watch where you're going!
He's a Demi!
He has no collar on!
That means
he's worthless!
You can do whatever you want to him!

It has been 5 days delayed
No good
I don't give a shit!

My Tonami
Must find him soon
Yeah
I can't leave with Tonami until the storm stops
Where are your from?
I only remember
Nothing
No
Forgot!

Sorry they are some guys who lives here
Because of the storm.. they have nowhere to go
Heh that Demi!
Where do you want to go to? Too bad the storm is that strong
My world seem so hapeless now
Shit!
Guess I'm drunk
Why?
Because of him?
Probably his master has been cold to him, that's why he trusted me and gave me all his money to buy a knife for him so easily by being a little nice to him!

Today we'll drink far that stupid Demi's money!
He even made a sketch
Ta pick up clients every day and every night Taa bad they won't sell a knife ta a Demi
What the hell?
Eh? What's the stupid Demi's name?
Tell me!
Ah! I think his name was Tonami...

Ah
What kind of power was that?
He's dead!
You!
WAA!
Boring guy—
But he's really tight!
Tonami

KIRI
!!
He's falling down. Too bad he won't survival.

He's probably run out of drug
He won't scream anymore No matter how much you hurt him
Guess he'll melt soon
He's probably full...
Hmf
Whatever
He's going to die soon anyway
He puked!
What?
Fuck off!

This is the after-effect of drug lass
The pulse is weak He s body is getting cold

Inju-

Who are you?
Tonami!
Want to fight?

Ugh

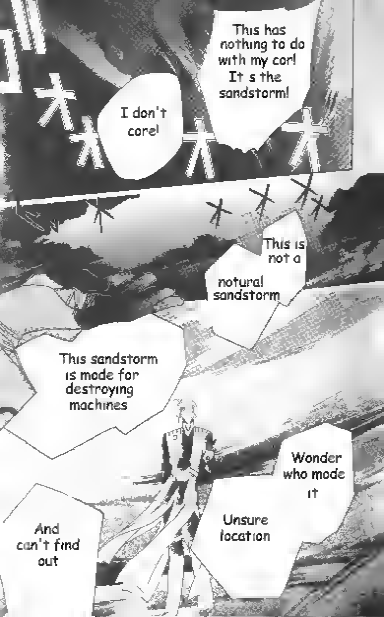
Wait!

Purple eyes
I can sense death from him
TONAMI!!!
WEST END 2 END

But!
Tomomi! Do you want to drag me down?
Knife!
That knife..

Shut up! What I do is none of your business
He's just a Demi
It's all because of your stupid car!
What are you doing?



This has nothing to do with my car! It's the sandstorm!
I don't care!
This is not a natural sandstorm
This sandstorm is made for destroying machines
Wonder who made it
Unsure location
And can't find out

where Tonami is.
There is no money after paying for this hotel.
Conclution, wait till the sandstorm is over.
I payed for three days at once. Guess we can't leave this place until the sandstorm is over.
I have to find a job quick.
Are you going out?

He never left his knife even when he lost his memory.
I feel safe with it.
That knife...
Don't know if I can find a job at once.
I am so useless! Because of me...
I will find some client to you.
You have to buy your drugs with your own money.

Yeah, I still have my body to sell
Yes!
I have to buy a knife to him!
Un. Have you ever slept with a Demi?
We need more people right now. Can you start now?
Ok!
